Merged Bowling Association

Our mission is to promote the sport of bowling and serve our members.
Yuma USBC is a merged association under the jurisdiction of the United States Bowling Congress.

On this website you will find information about: upcoming Yuma USBC tournaments, meetings, youth programs/events, and association information, as well as links to various other useful websites. We are here to serve you, the bowler! Please do not hesitate to e-mail or call us if you need information and cannot find it here.
Good Luck and Enjoy your Bowling!

This website was last updated Sunday August 09, 2009

Done Internet 100%

The image shows a screenshot of a web browser window displaying a webmail logout notification. The notification is a white box with a blue border and a blue background behind it. It features the word "WEBMAIL" in large, bold, orange letters at the top left, followed by a small globe icon. Below this, the text reads "lance.stern@yumausbc.org has been logged out. Thanks for using cPanel!". At the bottom of the notification, there is a blue hyperlink that says "Click here to log in again". The browser window itself is titled "cPanel® 11 - Windows Internet Explorer provided by Yahoo!". The address bar shows the URL "http://yumausbc.org:2095/webmaillogout.cgi". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The toolbar contains various icons for navigation and utility, including "Google", "G", "Go", "Bookmarks", "192 blocked", "Check", "AutoLink", "AutoFill", "Send to", and "Settings". The status bar at the bottom of the browser shows "Done", "Internet", and "100%". A blue callout box with a white border is overlaid on the right side of the notification, containing the text "You can now close the browser, or browse another website." A blue line connects the top right corner of the callout box to the top right corner of the browser window.

You can now close the browser, or
browse another website.
