TOURNAMENT RULES

Throw your first ball

If you throw a gutter ball that is counted as a strike

You must hit at least one pin. Your score for the first frame would be 1 point for every pin you knock over unless you throw a gutter ball.

If you didn't bowl a strike on your first ball, you throw your second ball.

If your ball goes in the gutter, or off the back of the lane without hitting any pins, you are automatically given a spare for that frame.

If your second ball hits a pin then you would add a point to your score for every pin knocked down.

This will continue for the remaining frames. You bowl three games and attempt to bowl the lowest total pins.

Each division winner will be crowned "Low Ball Champion"

Youth bowlers will be paid in Scholarship money via SMART Account #11193

All decisions made by the tournament director are final.
