Use this handy Scheduler to keep track of which tournament your bowling, who your bowling with, and when. Just fill in the spaces for the categories listed and you're all set. Use it to help when filling out entry forms, this way you won't double book yourself. Remember you can't bowl with the same partner twice for doubles, or more than 2 team members per team event.

Need to make a change, all changes in entry submissions need to be done with Alan Lewis, Tournament Director (928) 446-9395
